

FAMILY AUSLAN IMMERSION WEEKEND 2022

-  **Date:** 5pm Friday 26th August to 2pm Sunday 28th August
-  **Venue:** Sunshine Coast Recreation Centre, 80 Currimundi Road, Currimundi
-  **Cost:** \$800 per family

The Family Auslan Immersion Weekend is a great way for families with Deaf or hard of hearing children to improve their communication skills, learn more Auslan and engage with members of the Deaf community.

Educational workshops and presentations mixed with fun group activities will be held throughout the weekend with a slumber party themed fancy dress evening planned for Saturday night.

A children's program will be run by Deaf staff and volunteers while information sessions will be held for parents. The weekend is an

opportunity for families to develop their Auslan skills through activities and interactions and to meet other families with Deaf or hard of hearing children.

Come along, bring your family and leave your voice at home!

Please Note: The total cost of the weekend is \$800 per family. We encourage families to seek NDIS funding for this in their plan so we can continue this great weekend well into the future.
