Wave goodbye to the cost-of-living crunch as you are whisked away to the airport in a brand-new car for a European Summer getaway.

Support a lottery where your odds of winning are higher and your contribution aids the Australian Deaf community, through Deaf Connect.

Funds raised through the Deaf Lottery go towards Deaf Connect's support of the Deaf ecosystem. Help Deaf Connect actively invest in the Australian Deaf community and the Deaf ecosystem through grants and sponsorships facilitating an authentic and meaningful stimulus in the community during the current economic uncertainty.

During 2022 and into 2023, Deaf Connect and the Deaf Lottery have made it a focus to support Deaf owned businesses and their services from across Australia.

The Deaf business ecosystem is nurtured through a number of Deaf Connect initiatives, one of which is Deaf Business Networking events held quarterly across the country.

"The Deaf Business Networking events has meant I can stay in touch and connect with other Deaf and hard of hearing people. Especially if they have a business or if they are thinking about setting one up, we can all support each other and the Deaf ecosystem. Deaf Connect has helped me stay in touch with my community and meet people that have similar interests and business challenges to me. I would describe it as like-minded people in business supporting each other." Chloe

How would you invest your \$800K into a stress-free future? Each \$2 ticket purchased supports Deaf Australians in times when they need it most.

WINNER'S STORY

"It has taken a while to settle in. My wife didn't believe it! Because like all she used to think about was the impact of these interest rate rises. We didn't know how we could keep paying the house loan off and now it doesn't even matter. It is a feeling that is indescribable, just to know that we can now be debt free. The reality set in when the Deaf Lottery deposited the money into my account two weeks after the big news, we had a new car on the way and a trip away booked." – Terry*
