

FAMILY AUSLAN IMMERSION WEEKEND

-  **Date:** 5pm Friday 20th October to 12pm Sunday 22nd October
-  **Venue:** Sunshine Coast Recreational Centre, 80 Currimundi Road, Currimundi, QLD, 4551
-  **Cost:** \$960 per family

The Family Auslan Immersion Weekend is a great way for families with deaf or hard of hearing children to improve their communication skills, learn more Auslan and engage with members of the Deaf community.

Educational workshops, presentations and fun group activities will be held throughout the weekend.

A children's program will be run by deaf staff and volunteers while information sessions will be held for parents. The weekend is an opportunity for families to develop

their Auslan skills through activities and interactions and to meet other families with deaf or hard of hearing children.

Come along, bring your family and leave your voice at home!

Please Note: The total cost of the weekend is \$960 per family. We encourage families to seek NDIS funding for this in their plan so we can continue this great weekend well into the future.
