WIN AN
\$800K
WINTER
WONDERLAND

Win your way to a \$800K Avalanche with Deaf Lottery 208!

Is your bank account feeling a bit frosty?
How does \$800K sound to warm things up?

The Deaf Lottery gives you the choice of four prize options, and any of these could make your winter wonderful. Dust off your suitcases and take the trip of a lifetime to a decadent winter chalet on the slopes overlooking picturesque Mt Fuji. Road trip your way around the best snow fields in Australia and camp under the sprawling winter sky with a toasty campfire. Fall in love with your brand-new home as you build your winter sanctuary or install those heated tiles throughout your house for comfort in the cold. The choice is all yours with an entry into Deaf Lottery 208!

Through your support of the Deaf Lottery, the fundraising arm of Deaf Connect, we can deliver a range of opportunities and support to the Deaf community.

This month, Deaf Connect has contributed to the Deaf community by funding 40 individuals to take part in the World Deaf Federation (WDF) Congress in South Korea. The WDF Congress happens every four years in different locations around the globe. It is an opportunity for the international Deaf community and Deaf leaders to come together and work towards global common goals, including human rights for Deaf individuals and a future focus on preserving and empowering Deaf culture globally.

Your support of the Deaf Lottery has allowed this Australian cohort to set the agenda for Deaf human rights on a global stage.

"Deaf Connect will be hosting an international Deaf Leadership Workshop prior to the World Congress of the World Deaf Federation of the Deaf in South Korea. We will co-host this with a world class university for Deaf people, Gallaudet University and the World Federation of the Deaf. We are honoured to provide the opportunity for Deaf leaders to learn, network and share their experiences and ideas across our global Deaf community.

We are also thrilled to provide 40 Australian members of the Deaf community the opportunity to be involved with the World Congress. The Congress theme is securing human rights in times of crisis. This presents an opportunity for our Deaf leaders to bring back new learning and impart this knowledge with our future Australian Deaf community." - Brett Casey - Deaf Connect CEO

"It is an incredible opportunity and experience. I look forward to learning from different Deaf communities across the world, bringing key insights and experiences back to Australia, especially to nurture and create a brighter future for Deaf youth." - Catherine Dunn - WDF Attendee

Don't delay, as tickets are strictly limited! Be in it to win it! The more tickets you buy the more chances you have to WIN!

Every ticket purchased improves the lives of Deaf Australians through education, knowledge sharing, and – thanks to opportunities such as the World Deaf Federation Congress – creating a united community with a shared vision, mission and goals. Warm wishes and all the best of luck in Deaf Lottery 208.

WINNER'S STORY

After the news, I left work and called my husband, who was at his parent's place with the whole family. He questioned why I was not at work and I explained I had something to tell him. I shared the news with the family that we had won \$800k with the Deaf Lottery. The room just roared with excitement and happy tears.

This means the world to me as a close family member is going through some health issues and is unable to work so this means we will be able to afford the treatment without additional stress. It is the most amazing feeling – years ago I was facing bankruptcy but now we can stop living paycheck to paycheck, cover off debt and do things we could never afford. - Janet
