

Position Description

Speech Language Pathologist (SLP)

Department: Therapy and Family Services
Reports to: General Manager – Therapy and Family Services
Location: Yeerongpilly and Taigum (Brisbane)

Position Purpose:

The Speech Language Pathologist (SLP) is responsible for the provision of speech language assessments and therapy to infants and children via the different Hear for Kids programs (NDIS, Healthy Hearing Monitoring Program, Hear for Kids in School, and other fee-for-service programs).

Position – Key Results Areas

The SLP is expected to work within a flexible, transdisciplinary structure to ensure the children's and families' needs are met and supported. The SLP will work in a variety of settings, which may include Yeerongpilly and Taigum ECDPs, clinics, and community settings such as childcare centres, kindergartens, and schools.
