**Your good fortune has an
even greater purpose.**

**Celebrating unity and triumph
at the Australian Deaf Games.**

Fast track the adventure of a lifetime! Now is your chance to win a massive \$800K prize to put towards whatever lifestyle, travel or property aspirations you've been dreaming of! Whether it's exploring Australia's sprawling landscapes in a brand new campervan, or finally getting round to those much needed home renovations, make your dreams a reality with the prize of your choice plus up to \$750K in gold bullion! Supporting the lottery with as little as \$2 ensures the delivery of critical support services for the Deaf community nation wide.

This year, your support enabled Deaf Connect to be a principal sponsor of the 60th Australian Deaf Games. Over 1,000 athletes and supporters from all over Australia and the Pacific flocked to Newcastle and Lake Macquarie for the 10-day event. 2024 marks 60 years since the first Australian Deaf Games, which were held in the summer of 1964. The Games showcased a spectacular array of culture, talent and sportsmanship, providing athletes with the opportunity to compete in over 16 different sports.

The games have also ignited a sense of connection off the field by celebrating the achievements of Deaf athletes throughout history. Opening one week prior to the games, Newcastle Library's Lovett Gallery held an exhibition titled "More Than Sport" which showcased Deaf athletes' stories from across Australia and around the world through a series of videos, photographs and memorabilia.

This community outreach has helped to ensure that the next generation of individuals in the Deaf community feel connected, supported and proud to share their experiences and culture.

Your support of the Deaf Lottery enables Deaf Connect to continue to sponsor events that serve and unite the community.

"Being part of the 2024 Australian Deaf Games was truly inspiring," said a Deaf athlete who attended the games.

"The atmosphere of unity, mateship, and determination was incredibly impactful.

I was part of a team that won a gold medal in mixed netball and silver in basketball. It was a truly unforgettable experience competing against friends, forging new relationships, and I can't wait to come back in 2026."

LOTTERY 210 WINNER STORY

"Right after I heard the news, I rang up my husband. At first, he didn't even believe me! But a few days later, it really hit us, and we both had a good cry - happy tears, of course. Times have been so tough this past year with everything getting more expensive. But this win has turned my life around.

Just a few weeks before all of this, I had a nasty accident that completely totalled my car. We were already drowning in bills, and everything just got so hard. Fast forward two weeks after the win, and I've got a brand-new car on the way and the remaining \$750K in the bank. Now, my husband and I can finally start doing all the things that seemed impossible before."
