In Lottery 214, we're celebrating the history of our lottery, and of the Deaf Community – but for one lucky winner it will be the chance to rewrite your future!

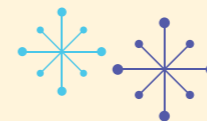

The Deaf Lottery is your opportunity to live the \$800K future you've been dreaming about – with your choice of prize tailored to suit you!

Have you been fantasising about long-awaited kitchen renovations? Or, speaking of history – perhaps you're dreaming of getting behind the wheel of a vintage, high-end classic?

Whether it's diving into the turquoise seas of the Amalfi Coast, or road-tripping across the country – for just \$2 the Deaf Lottery has a prize package to elevate your lifestyle.

In February, your support enabled Deaf Connect to launch Australia's first historical website to document Deaf history, dating all the way back to the 18th century! Deaf Connect proudly collaborated with various groups, organisations, and community members including Deaf Australia, Deaf Sports Australia and a wide range of other organisations to create a website where users can upload and digitise hundreds of historical artefacts, making Australian Deaf history accessible to everyone. The online archive titled 'Deaf History Collections' has over a century of historical photos, records, and artefacts from families, businesses, and community groups.

Now the legacies of the Australian Deaf community can be celebrated and preserved for future generations.

Deaf Connect CEO, Brett Casey highlighted the importance of ensuring that the stories, photos, and videos from the Deaf community are accessible, and emphasised that Deaf history is an important part of the community's culture.

"The Australian Deaf community has an incredibly rich and storied history, and Deaf Connect is proud to invest in the development of this website, which strongly aligns with our strategic vision and commitment to Deaf history. Through the 'Deaf History Collections', current and future generations can celebrate the journey of the Australian Deaf community."

Your continued support of the Deaf Lottery means that we can continue to deliver critical services for the Deaf community – but also projects like this which preserve the cultural history of Deaf Australians. Celebrate their history, and your winning future together in 2024 with a ticket, and VIP membership in Deaf Lottery 214.

If you'd like to increase your chances of winning a life changing \$800K, test your luck and buy tickets online today.

One of the faces behind Deaf History Collections

The Deaf History Collections were created by a number of prominent Deaf community members and Deaf Connect staff. One member who had a crucial role in the delivery of this project was Dr Breda Carty AO, who is a deaf historian. Dr Carty said the website enables the community to reclaim their history, and discover how the past was experienced by people like us.

"We are excited about the potential of this website to reach Deaf and hard of hearing people and those who wish to learn more about us. It allows us to tell our own stories, to reflect on the Deaf people who shaped our language and community, who were our leaders, artists, sportspeople and advocates. We hope these stories will reach young Deaf and hard of hearing people and their families."

L211 WINNER'S STORY

"I actually missed the phone call, so I found out I'd won through my email! Like any sensible Aussie, my first thought was, "is this some kind of scam?" But after chatting with the Deaf Connect team, the news really sunk in, and I couldn't believe I'd won 800K!"

"Winning the Deaf Lottery has truly changed my life. With our debts cleared and the mortgage off our minds, my wife and I can finally breathe easy. I can retire from the grind of six-day work weeks, and at our age, that's a game-changer. Now, we savor our quality time and have started looking for a new home to enjoy our retirement in. It's a dream we never thought possible, but here we are, filled with gratitude for this incredible stroke of luck."
