LOTTERY
215

WIN
\$800K

to Live Your Best Life!

Your support means that for the first time in WA, Deaf seniors can receive home care support in their first language – Auslan.

Get ready, because Lottery 215 has landed! The Deaf Lottery is renowned for our \$800K prize – the only charity lottery in Australia that lets you choose your perfect prize package, suitable for wherever you are in life! Have you been in search of the next adventure to make the most of your retirement? Or perhaps you're already a seasoned van-lifer with a hunger for trying new things; no matter what trip you've been craving, Lottery 215 is the game-changer you've been waiting for.

Now is the time for you to open the next great chapter in your life. Whether it's constructing your dream home, cruising in a cutting-edge EV, or hitting the open road in a fully equipped campervan or motorhome, it's your turn to grasp financial freedom!

Proceeds from the Deaf Lottery enable Deaf Connect to continue to provide life-enhancing services to our community. This year, your support meant that we were able to expand our Auslan-delivered home care packages for seniors in Western Australia – the 'Ageing Well' service! And with just one \$2 ticket book, your support really does go a long way.

Ageing Well is an approved provider of in-home care for seniors and delivers essential aged care services and support to Deaf, deafblind, and hard of hearing Australians in their first language – Auslan. This program ensures that Deaf seniors receive home care that lets them maintain their independence while remaining connected to their language and community.

Deaf Connect General Manager for Ageing Well, Dr. Leena Vuorinen, stated that this is the first Home Care Package specifically catered to the needs of Deaf seniors in WA.

"The goal of the program has always been to ensure seniors can stay in their homes for longer – promoting their independence, nurturing social connections, and sustaining a high quality of life. By offering tailored care plans in their own language, we enable seniors to maintain control over their lives while effectively addressing their physical and emotional needs."

"Our commitment is to ensure that every Deaf senior can age with dignity, supported by a strong community that celebrates their identity and values their autonomy."

By consistently supporting the Deaf Lottery, you enable us to provide essential services for the Deaf community, fostering a strong community that is connected and empowered. Good fortune is on its way to you – especially after supporting this worthwhile cause.

LOTTERY 212 WINNER STORY

Winning the lottery was like a dream come true – but sharing it with our financial advisor made it all the more real. My husband and I are recent retirees, so this couldn't have come at a better time!

All of this means much more than just paying off our debts; now we have the freedom to travel and explore without dipping into our savings. That's something that we wouldn't have even thought about doing before.

Growing up with a Deaf cousin really opened my eyes to what the Deaf community needs. That's why supporting Deaf Connect has always been close to my heart. Now we can have a real happy ending to our working years!
